## 内容简介

New Orleans is easy for travelers - tourism is the city's lifeblood. As long as you can put up with crazy humidity in summer, potholed roads, friendly but slow service, great food and a party-hearty attitude, you and this city will go together like crawfish and beer. Features: Two authors, 60 days of in-city research, 17 detailed maps, innumerable po'boys eaten; Special chapter on rebuilding New Orleans with information on continued relief efforts and volunteer opportunities; Expanded Day Trips & Excursions chapter gives you a taste of Cajun Country; Includes pull-out map.

## 作者简介

LONELY PLANET aims to cater for every independent traveller, whatever the destination, whatever the style of travel and whatever the phase of the journey.
