## 作者简介

It's been more than 16 years since Anja left her native Croatia. She journeyed to several continents before making New York her base 10 years ago. But the roots are a'calling. She's been returning to Croatia frequently for work and play, intent on discovering a new place on every visit, be it a nature park, an offbeat town or an island. She's happy that Croatia's many beauties are appreciated worldwide, but secretly longs for the time when you could have a leisurely seafront coffee in Hvar without waiting for a table.
