作者简介

Neil was born in Scotland and, save for a few years spent in England and Australia, has lived there for most of his life. When he was 14 he relieved the boredom of a rainy school holiday by leafing through a book about the Scottish mountains. The photographs of mist-veiled ridges, yawning cliffs and distant sea lochs opened the door to a lifelong enthusiasm for the great outdoors, and since then he has hiked, biked, climbed, sailed or snowboarded in almost every corner of the country. Neil has been a full-time writer and photographer since 1988 and has written around 45 guidebooks for various publishers, including Lonely Planet's guide to his home town of Edinburgh.
