编辑推荐

Featuring reviews of activities and attractions above and below the water, the Lonely Planet Diving & Snorkeling activity guides are essential companions for underwater enthusiasts. Included are maps and complete listings for diving services and resorts, all complemented by dramatic full-colour photographs throughout.

内容简介

Bathed by the waters of two oceans, Thailand's varied diving environments are home to colorful coral reefs and an impressive diversity of marine life. Live-aboard ships explore the offshore islands with their beautiful white-sand beaches and lush vegetation, and go beyond the Thai border to newly pioneered dive sites in Myanmar. A rich culture and well-developed infrastructure make this the most popular diving region in Southeast Asia.
