"It just reminds me how much of the world there is still to see" - Tony Wheeler, Lonely Planet founder, 145 countries visited and counting ... 'This is a stunning book. From Afghanistan to Zimbabwe, it's a classic coffee table book, best perused on a rainy afternoon with a cup of coffee in one hand and your passport in the other, just in case you get the urge to flee the country.' Digital Camera Magazine. At a time when the world feels as if its becoming a larger, more divided and increasingly impossible place to understand, let alone discover, The Travel Book is a reminder that the world is truly an amazing place.' The Age (Melbourne, Australia)
