内容简介

Nell Dysart is living a too small life in a too small apartment, Her marriage is finished, her career is in limbo, and she feels she has the sex appeal of a skeletal giraffe. But things might be about to change, for Nell has landed a job at a down-and-out detective agency with huge potential for redecoration and a boss who looks easy to manage. A quick spot of dachshund napping, blackmail and embezzlement later and Nell can scarcely believe her life was ever dull. But when somebody starts killing people and unprofessional sex becomes a sticky situation, she starts to wonder just how many more thrills one woman's life can withstand...
