## 内容简介

Marguerite Gautier was the most beautiful, brazen-- and expensive--courtesan in all of Paris. Despite being ill with consumption, she lived a glittering, moneyed life of nonstop parties and aristocratic balls and savored every day as if it were her last.

Into her life came Armand Duval. Young, handsome, recklessly headstrong, he was hopelessly in love with Marguerite, but not nearly rich enough. Yet Armand was Marguerite's first true love, and against her better judgment, she threw away her upper-class lifestyle for him. But as intense as their love for each other was, it challenged a reality that would not be denied。
