## 内容简介

Did you know that there are 700 ways of committing a foul in Quidditch? Have you ever wondered how the Bludgers came into existence or why Wigtown Wanderers have pictures of meat cleavers on their robes? This copy of a volume in Hogwarts School Library contains everything you need to know.

## 作者简介

KENILWORTHYN WHISP is a renowned Quidditch expert (and, he says, fanatic). He is the author of many Quidditch-related works, including *The Wonder of Wigtown Wanderers*, *He Flew Like a Modman* (a biography of 'Dangerous' Dai Llewellyn) and *Beating the Bludgers - A Study of Defensive Strategies in Quidditch*.

Kennilworthy Whisp divides his time between his home in Nottinghamshire and 'His hobbies include backgammon, vegetarian cookery and collecting vintage broomsticks'.
