## 内容简介

There are, of course, some gastronomic treats to be had on the way, including a feast at a converted petrol station and a rendezvous with the famous Marseillaise Bouillabaisse. But when lunch is over there are still more moments to relish: learning the secrets of perfume-blending at a school for noses, the story of a crime passionnel perpetrated by a jealous husband on an oversexed, cycling-short wearing butcher, a connoisseur of unerals, a grower of black tomatoes, and the simple pleasure of finding the best way to idle away a lazy summer afternoon.....
