内容简介

Nearly broke and down on his luck in France, Bennett needs an inspired idea in order to keep body and soul together. He decides to advertise himself in the newspaper and before long he comes face to face with the most intriguing respondent, millionair Julian Poe. Poe owns an exquisite villa in the French countryside, has a black-belted sidekick and a number of glamorous, model girlfriends. At first, Poe hires Bennett to save taxes for him by flat-sitting in Monaco—a lucrative job with many perks. But when a mystery delivery goes astray, it becomes clear that Poe's interests go far beyond tax evasion and into the realms of something far more profitable and desirable than Bennett would have dreamed of . Luckily Bennett has been provided with Anna-tall, beautiful and a former sergeant in the Israeli army-whose skills are enormously valuable when the going gets tough...
