内容简介

Compiled by bestselling biographer and Doors intimate, Danny Sugerman, *The Doors: Complete Lyrics* Collects all The Doors' lyrics-including material recorded live-alongside comment and anecdotes. It is a collection of one hundred songs that has found new audiences each year as the band's popularity continues to grow. Jim Morrison's death in 1971 may have marked the end of the band's performing and recording career, but it was also the beginning of their ever-growing cult status, a status enhanced by the explosive success of Oliver Stone's popular film about the band.
