## 内容简介

Anatole ' Annie ' Doutray is in his early 50s , a man of imposing physical presence with a reputation on the high seas from the Philippines to Shanghai. It is 1927 , and while serving six months in a hellish Hong Kong prison he one day saves the life of a Chinese Prisoner.

The Prisoner ' s employer turns out to be Madame Lai Choi San : beautiful , ruthless and shrewd , she is one of the most notorious gangsters in Asia. When he gets out of Prison , she thanks him with an offer of inconceivable wealth if he will join her in the biggest act of their career. Madame Lai is a seductive and Powerful ally , but Annie is about to discover that she can be an even more powerful-and dangerous-enemy.

With his longtime collaborator , screenwriter and director Donald Crisp , Marlon Brando worked on this story for years. The result is a rollicking , swashbuckling , delectable romp of a novel-the last surprise from an ever-surprising legend.
