内容简介

There is a dark king who rules our dreams from a place of shadows and fantastic things. He is Morpheus, the lord of dreams. Older than humankind itself, he inhabits-along with Destiny, Death, Destruction, Desire, Despair, and Delirium, his Endless sisters and brothers-the realm of human consciousness. His powers are myth and nightmare-inspirations, pleasures, and punishments manifested beneath the blanketing mist of sleep.

作者简介

NEIL GAIMAN is the New York Times-bestselling author of the novels American Gods, Neverwhere and Stardust, the Sandman series of graphic novels, and Smoke and Mirrors, a collection of short fiction. He is also coauthor of the novel Good Omens with Terry Pratch
