## 内容简介

When their best friend commits suicide over her divorce, Elise, Brenda and Annie decide enough is enough. Each was crucial to her husband's career. But now that the men are successful, they've traded in their wives for newer, blonder models.

Over lunch one day they form the First Wives Club. But this is no support group. This is the SAS in Chanel. Painstakingly, inexorably, they plan the downfall of the men who've wrecked their lives- and know that revenge has never tasted sweeter...
