## 内容简介

The bestselling adventures of a Provencal gardener.

Alex Dingwall-Main left London in the early nineties for the Luberon and a new way of gardening. Having established his business, started a new family and worked out the best way to eat a truffle, he thought he could take anything Provence could throw at him. Until he came across the secret garden of Menerbes.....

A bewitchingly evocative and extremely funny tale of horticultural obsession.

## 作者简介

Alex Dingwall-Main has run a garden design practice for over 25 years. A broadcaster and writer for the BBC, Sunday Times and House Garden magazine, amongst many others, Alex now lives in Provence with his wife and small son.
